

Partner with your provider for better health!

The Patient Portal is a secure, confidential, and easy-to-use website that gives patients and their families 24-hour access to their medical records. It uses the latest technology to deliver secure communication between patients and providers. By signing up and enrolling with the Patient Portal, you will be able to:

- ✓ View, download, or share your health information from medical record including chart notes, educational information, etc.
- ✓ Request appointments, ask medical questions or request medication refills
- ✓ Get 24/7 access to important health and educational information
- ✓ Maintain account data including user name, password, and access privileges
- ✓ View online statements/balances and make payments
- ✓ Test results will be sent to you, via the Portal, 7-10 days after your visit. If you do not receive your results, please contact our office at (614) 274-1455, option 2.

For instructions on how to sign up, please ask your Front Office Receptionist! Thank you for allowing us to serve you!
